

Welcome at EHRHARDT + PARTNER SOLUTIONS. Since 1987, we belong to the internationally leading software providers for warehouse logistics. Our customers from all over the world appreciate our funded consulting, the professional and punctual project management as well as the reliable support. With well-elaborated and innovative warehouse management software, we offer individual total solutions for the most different industries. In order to stay on the road to success, we count on motivated people like you. So: when will you join us?

SHOW YOUR MOTIVATION AS A

PROJECT MANAGER (M/F)

IN THE FUTURE MARKET OF LOGISTICS

**EHRHARDT + PARTNER
SOLUTIONS**

YOUR CHANCE / YOU

- think “sure, responsibility and personal space are exactly what I want”
- take charge of warehouse logistic projects from A to Z – as an active contact person between customer, assigned companies and your team
- directly start with 1–2 project groups of 2–4 employees
- give top priority to supply chain management and keep the costs in view
- always provide the best information for the management
- always lead discussions with the customer into the right direction
- start in an attractive environment

OUR CHANCE / YOU

- are highly ambitious and set a high value on practice-oriented working
- are a university graduate with commercial/technical knowledge and you especially convince us with your know-how in logistics or warehouse management
- want to please the customers with your entrepreneurial way of thinking
- can always motivate your team – thanks to your combination of sympathy and consequent objectives
- are fit in working with the PC and MS office is your daily tool
- are looking forward to realising national and international projects and also score with your English skills

If you are interested and looking for a great challenge, please send us your detailed resume to our e-mail address: jobs@ehrhardt-partner.ae or to our postal address.

Right package is not denied to right candidate.
